**5 Stars**

A wine by Catalina Sounds, this is a lovely barrel-influenced Sauvignon. The complex bouquet shows ripe citrus, stone fruit, dried herb and subtle nutty aromas. Its concentrated and weighty on the palate with lovely texture, beautifully supported by bright acidity. The length is impressively long and mouth-watering. At its best now to 2018.

**5 Stars**

Dry to taste and medium-bodied, a tightly focused and linear flow of complex nectarine and flinty flavours is a feature on the palate. The barrel-ferment layers provide nuance and detail. The fruit has a subtle richness and succulence adding to the creamy mouthfeel, which is countered by a fine, grainy, textural backbone and fresh, brisk acidity. The wine leads to a long, lingering, dry finish. This is a concentrated barrel-influenced Sauvignon Blanc with complex detail and tight textures.
