### 92 POINTS

THE SHOUT

You'll need to swirl the glass a few times to get the full-affect of the barrel fermented expression. Aromas and flavours of white smoke and raw nut, lemon and fresh herbs with a gentle sweet sweat quality, hay and cape gooseberry. Lovely on the palate with a satin touch, flavours of tropical fruits and fresh herbs along with a white smoke mineral quality. Plenty of acidity and freshness, a wine that is ready to drink from late 2023 through 2027.

*Cameron Douglas MS , September, 2023*

### 92 POINTS

HALLIDAY

Kernel, papaya and jackfruit segments. Mango skin and tangerine oil. Pandan leaf and palm frond. Churned butter and nutmeg. A lemon sherbert tang to the acidity, that gives way to sesame and oat biscuit nuttiness. The wine finds its feet with more time in the glass. Structured and tropical without oak taking centre stage.
